

## “Did you know we don’t just do conveyors? We also do Bundle Doubles!”

**We've all heard about *BOGOF* and *2-4-1* offers, but did you know you can benefit from *2-4-1* with our materials handling systems?**

The **Avanti Bundle Doubler** quickly double stacks bundles on top of each other and then aligns them.

This process allows the operator to stack **TWO** bundles for everyone **ONE** action - **doubling the output of your operator!**

With **Avanti Bundle Doublers** you can double your savings by doubling your output!

## Strengthening of our Management Team... some more!

**To optimise our reputation for pioneering new products and innovations and to help us achieve our goal of being industry leaders, we have been striving hard to listen and respond to our customers' demands.**

These demands deserve to have swift responses and to meet that objective communication is the key.

We believe that great communication comes from employing great people, so that's what we have done!

We are delighted to welcome Craig Yates to the Avanti management team as our Business Development Manager.

For many of you Craig will already be a familiar face, but if you don't know him yet why not [click here to connect on LinkedIn](#), or why not give Craig a call on +44 (0) 1663 740011, he would love to hear from you.
