avanti
conveyors

Avanti Conveyors will be exhibiting on Stand 20 at the forthcoming UK Corrugated Industry Trade Show to be held on Thursday 19th March 2015

The event is being held at St George's Park Burton-Upon-Trent and the team from Avanti will be delighted to talk through your requirements or plans for your material handling systems.

Our systems have typically delivered the following benefits for our customers:

- Up to 15% improvement in plant efficiencies
- Support machine output maximisation
- Improvements in operational health and safety
- Reduce work in progress damage
- Lower labour costs

If you would like to arrange a time to meet us at the exhibition, then please contact me on one of the following ways:

- E-mail: ian.drummond-smillie@avanti-conveyors.co.uk
- Mobile phone: 0044 (0)7515 054026

I look forward to meeting you
